

**Christ Preschool** loves children and we would treasure the opportunity to provide a safe place for your child to feel loved and cherished in an educational environment where teachers are gentle and kind. We are not a substitute for your home, but an extension of the home environment. Christ Preschool provides learning opportunities and developmentally appropriate experiences. Our trained staff is committed to advocate for your child. Our program is well rounded and includes exciting literature and poetry, fun and appropriate toys and wonderful imaginative playtime.

**What makes our Preschool special:** During our regular school day 9-1, we use the Macmillan: Early Skills Program, Early Science Activities and Seasonal Activities as well as "Handwriting without Tears". Some of our unique programs are Chapel, Music, Spanish, Sportersize and Yoga. The children also participate in Thanksgiving, Christmas, ABC Parade and Graduation programs. Our exceptional campus offers bright, clean classrooms with adjoining bathrooms in most rooms, two Outdoor Playgrounds and an Outdoor Classroom.
